LEADERSHIP STAKEOUT MESSAGE

Republicans are doing the American people's business.

- Have an agenda and are moving forward
- Making progress in a bipartisan way - need the Democrats' help
- Tackling Issues that matter in people's everyday lives, like energy reform

Republicans are working on a comprehensive, bipartisan energy bill that will help the economy and create jobs.

- "Clean and Affordable Energy for a Growing, Secure Economy"
- Congress must act now to ensure stabilized energy prices three years from now.
- Passage of the Comprehensive Energy Bill = Jobs:
 - Abundant and affordable energy stimulates the economy and creates jobs.
 - Nearly 2 million American jobs will be saved over the next decade.
 - Tangible savings for Americans on oil and gas consumption.

Republicans are working toward a bipartisan Social Security bill.

- The problem facing Social Security is too important for partisan politics.
- Leadership supports the work of Chairman Grassley, who is working toward bipartisan legislation in committee.
- Senate Leadership supports the efforts of other Republican Members who have put forward their own ideas.
